**Week 10 Term 3 - 2024**

## PRINCIPAL'S REPORT

As we wrap up another busy and productive term, I'd like to take a moment to reflect on and celebrate the many achievements of our students.

Firstly, a huge congratulations to our Year 12 students, who are now in the final stages of their HSC journey. Your dedication and hard work have been remarkable, and we wish you all the best as you continue preparing for your exams. Keep up the great effort! It has been a pleasure recommending many of you for early entry into University, and we know you will continue to make the most of the opportunities that come your way. Stay focused and give your best in these final weeks!

This term, we were thrilled to offer two exciting celebration excursions as a reward for our students' commitment and hard work. Our secondary students had an unforgettable time at The Worlds on the Gold Coast, enjoying thrilling rides, attractions, and a much-deserved day of fun and adventure. It was a fantastic opportunity to bond, relax, and celebrate their achievements together.

Meanwhile, our K-6 students had a wonderful experience at Currumbin Wildlife Sanctuary, where they got up close with native wildlife and learned about the importance of conservation. The day was filled with excitement and curiosity, and it was heartwarming to see the joy and enthusiasm on their faces. Both excursions were a tremendous success, and we are incredibly proud of our students for making the most of these enriching opportunities and to our teachers for making this happen.

In addition to these outings, it has been a pleasure to witness the continued success of our students across various aspects of school life. Recently, several of our athletes competed at State, achieving excellent results and making us all proud. Their hard work and determination shine through, and we congratulate them on their fantastic performances!

Another highlight of the term was the HSC Showcase, which displayed outstanding talent across Drama, Design and Technology, Photography, and Visual Design. The level of creativity and passion was truly inspiring, and I know the work produced by our students will be remembered for years to come.

(cont)....

## PRINCIPAL'S REPORT (cont.)

We also had great success at the Nimbin Show, where many of our students received well-deserved awards. From agriculture to art, it was wonderful to see the broad range of talents and skills on display. Congratulations to all who participated—you have represented our school and community with pride!

A special congratulations goes to Sophie Brown, who achieved an outstanding milestone by being selected to represent our school in the State Drama Ensemble. Her talent, dedication, and passion for the performing arts are truly exceptional, and we are immensely proud of her achievement. Sophie will be balancing this opportunity around her HSC examinations, but we know she can do this. Well done, Sophie—we can't wait to see you shine on the State stage!

I'm also pleased to announce that our Leadership Team for 2025 has been selected. The election process saw inspiring speeches, showcasing the passion and commitment of our students. After much anticipation, I'm proud to introduce our School Captains, Sophie and Livio, and our Vice Captains, Kaara and Daniel. These students have demonstrated outstanding leadership qualities, and we are confident that 2025 is in good hands with them at the helm. Congratulations to you all—we look forward to seeing the positive impact you will have on our school community!

This term has also been one of reflection for our community, as we have experienced some sadness and loss. During these difficult times, the strength and resilience of our community have been truly evident. I extend my heartfelt thoughts to everyone and wish all families peace and comfort during the holiday break.

Please take care of yourselves, and I hope you all enjoy a peaceful and safe holiday. I look forward to seeing you rested and refreshed next term.

*Sally-Ann Thompson*

### Tell Them From Me - Education NSW

The Tell Them From Me surveys are a key tool to measure student engagement and wellbeing in NSW public schools.

Tell Them From Me® (TTFM) is a suite of surveys for measuring student engagement and wellbeing. The surveys can be used to capture student, parent and teacher voices, providing reliable evidence for schools to use in identifying strengths and areas for improvement.

#### What is the TTFM survey?

The TTFM student, parent and teachers surveys are designed to capture students' wellbeing and engagement at school, as well as a range of experiences and attitudes of the school community toward school practices and procedures.

We have completed the student survey and are now ready to complete the parent and teacher surveys.

Please find the parent survey link below. This will be sent to you via SMS and email early next term but if you would like to complete it now that's great. Please complete by the 7<sup>th</sup> November.

<http://nsw.tellthemfromme.com/ncs2024>

We would really like your ideas on how to better support our learners and community.

Bulgelbeh

<b>Tuesday 22 October</b>	HSC exam Ancient History
<b>Wednesday 23 October</b>	Kayaking Bruns/Mullum Excursion—PASS students HSC exam Chinese Continuers
<b>Friday 25 October</b>	Zone Beach Volleyball Gala Day (Evans Head)

## NIMBIN SHOW

Nimbin Central students stole the crowd's attention and admiration over the weekend at the annual Nimbin Show, displaying an amazing assortment of beautiful artworks in varied mediums. This year our students outdid themselves, winning awards in many categories and even having a new category in Lino Printing added just for them.

With the incredibly talented and creative primary students exploring recycling and building out of disposable household items, they made colourful, sustainable and engaging sculptures, forming a delightful collaborated installation. The Primary students had beautifully coloured-in drawings that were hard not to admire.

The high school students were just as impressive, with Photography, Painting, Lino Prints and Ceramics indulging the community's gazing eyes.

Year 7's created ceramic planter heads through a unit called 'Me Myself and I', exploring self-identity and how they show the world who they are. The students created unique and colourful planters, some with plants in them donated by members of the community, symbolizing the plants grow as they do. Spectators thought they were so amazing and enquired if they were for sale! Well done Year 7!

Some Stage 6 students entered their photography and earned some impressive recognition!

Cello earned Championship in 'Fauna', as well as 2nd place in both 'Flora' and 'Colour Photography', not to mention 1st in 'Computer Enhanced Photography.'

Billie won First in 'Black and White' and 2nd in 'Landscape.'

Grace came 1st in 'Open Photography.'

Hailey came 2nd in Fauna Photography.'

Nina came 1st in 'Collection Photography.'

In stage 5 Natalie came first in 'Student Painting' followed by Neo in 2nd place.

In Stage 4 Max Frey came 1st, Skye Partridge came 2nd and Eden came 3rd in 'Student Art'

Well done to all the budding artists who showed Nimbin how talented you all are, keep up the amazing expressive and explorative creativity. Our school is full of amazing students who are so much fun to work with!

*Yeleena Paulocci*

## K/1 NEWS

Our Year 6 students graciously assisted K/1 with a visit to our beloved school chickens. In the relaxing setting of our school orchard, surrounded by nature and friends, students enjoyed lively conversations, laughter, and the chance to observe how much the chickens have grown. K/1 noticed that there was some grapefruit ripe on the tree so we all had a taste.. the feedback was "Sour!".

As part of our measurement unit, students combined creativity with learning by first drawing animals and then measuring them using informal units, making the experience both educational and fun outdoors.

Paralympian David (DJ) Johnson made a return visit from Sports Ability. DJ encourages students to engage with sports using the wheelchairs and asking any questions they may have. The Social Futures program aims to increase awareness of disability and improve attitudes in schools through facilitating fun and inclusive sports and games.

*Heather Jessup - K/1 Classroom Teacher  
Tina Cudmore—SLSO*

### CONGRATULATION ASSEMBLY AWARD WINNERS!

# CURRUMBIN EXCURSION

## HSC BODY OF WORKS

Last week, Wednesday afternoon, the hall's doors flew open with the hustle and bustle of a community eager to see what the youth can do. They were not disappointed when faced with the countless magnificent body of work pieces produced by our Stage 6 Photography, Drama, Visual Design and Design and Technology students. The hall was alive with their many creations and installations, set up with meticulous attention to detail and meaning.

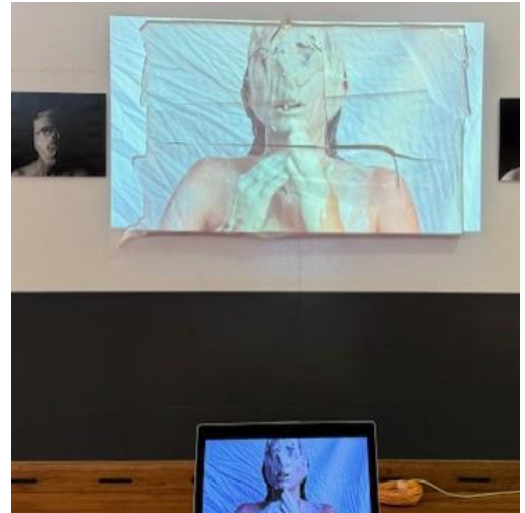

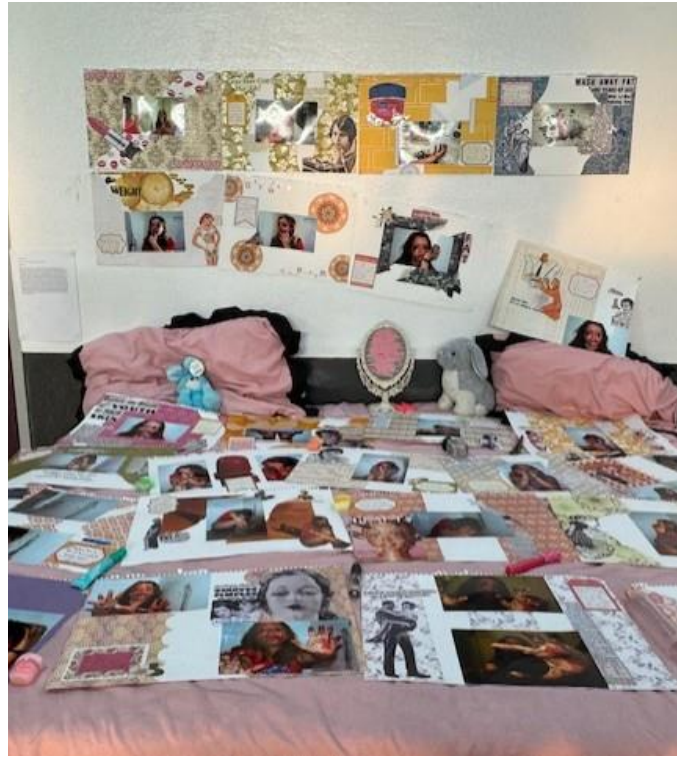

Everyone's end products shone in the eyes of our viewers who commented on the maturity and excellence of the products delivered. The community applauded our young engineers, photographers and designers on the metaphors hidden behind their pieces and the incredibly intricate functions of others. Eyes could not be pulled away from the artistic genius and constructing capabilities throughout the whole afternoon.

After people finished admiring the wide variety of products found at the Hall, paired with deep conversations and an abundance of snacks they made their way down to the school's Drama room, where waiting for them was a group of young aspiring actors who did everything but disappoint the audience ranging from monologues to group performances to short films. They experienced a whirlwind of emotions from fear driven from an analogue horror short film, compassion in many forms, from a tired checkout chick and a girl who just got back from 'the greatest night of her life!', and humour laced with absurdism from a new strain of sickness.... The Fishdemic. These were only some of the performances delivered that night by our amazing Stage 6 Drama class and yet it was the perfect ending to the perfect night.

*Piaf Rengger-Thorpe*

## Applications Now Open for North Coast Music Camp 2024

Are you a North Coast public school student who loves music? Then don't miss out on this year's North Coast Music Camp! Applications are now open for this exciting four-day event, designed to bring together young musicians from across the region. Whether you sing, play an instrument, or just want to expand your musical experiences, this camp is for you. Applications close 27 September 2024.

### Event Details:

Venue: Coffs Coast Adventure Centre, 226 Bonville Station Road, Bonville 2450

Arrival: 2:00 pm Wednesday, 30 October 2024 (after lunch)

Departure: Saturday, 2 November 2024, following the Camp Concert at 12:30 pm

Cost: \$400 (payment due by Monday, 14 October to your school office)

### Who Can Attend?

The camp is open to public school students in Years 5 to 12 who have a passion for music. It's a great opportunity for both vocal and instrumental students to immerse themselves in a musical environment, especially for those who may not have access to such experiences in their local schools.

Ensemble Opportunities: Students will rehearse twice daily in a main ensemble, which could be one of the following:

Vocal Ensemble

Orchestra

Stage Band

Concert Band

Additionally, smaller elective ensembles based on student choice will be formed. Elective options may include jazz improvisation, musical theatre, composition, rock group, string ensemble, and more. Students will select their elective at camp, with opportunities to try new instruments or even join a group like percussion ensemble or musical theatre, which requires no prior knowledge. These elective groups will rehearse once a day and perform at the evening concert on the third night.

### Camp Highlights:

All students will participate in the Camp Choir, which will perform as the grand finale at the Camp Concert for family and friends. Singing in a choir is a fantastic way to enhance your musical skills, particularly intonation and aural development.

Evening concerts provide students the chance to perform solo or in small groups, showcasing their talents to a supportive audience.

The final concert at 12:30 pm on Saturday, 2 November, will feature performances from the main ensembles and the Camp Choir. This concert is free for family and friends to attend.

Recreational Activities: The fun isn't limited to music! Each day, students will have time for recreation, with activities like Commando, Giant Swing, and GaGa. These are run by the camp staff and offer a great way to unwind and bond with fellow campers.

Staff & Supervision: Music Camp is staffed by professional Department of Education staff and music tutors, with a dedicated Student Wellbeing Officer available. Students are supervised at all times during activities and breaks.

Interested? If you're eager to join or want more information, speak with Mr. Osterhage or contact the Arts Coordination Officer, Sarah Armour, at [sarah.k.armour@det.nsw.edu.au](mailto:sarah.k.armour@det.nsw.edu.au) or 0429 965 197. Don't miss out on this incredible opportunity to develop your musical talents, make new friends, and perform in front of an enthusiastic audience!

Get your applications in and prepare for an unforgettable musical experience!

## Nimbin Central School Careers Update Exciting Opportunities and Hands-On Experience for Our Students

This term has been a fantastic one for career education at Nimbin Central School, with students engaging in two incredible events that provided invaluable insight into future employment opportunities and practical workplace experience.

### Lismore Council Careers Event: Inspiring Futures

Earlier this term, our students were thrilled to attend the Lismore Council Careers Event, an exciting initiative promoting employment opportunities with the Council. The event offered a variety of interactive activities that showcased potential career pathways within Local Government. From learning about environmental management to community services and public works, our students enthusiastically participated in these hands-on experiences, gaining a better understanding of the diverse roles available within the Council. The day was filled with opportunities for networking and learning, which sparked excitement and curiosity among our young learners about their future career choices.

### Year 9 Work Experience: A Step Into the World of Work

In Week 7 of Term 3, our Year 9 students embarked on their much-anticipated work experience program. This program saw our students placed with a wide range of employers, offering them the chance to learn firsthand what it's like to work in various industries, including trades, healthcare, retail, and more. The students gained valuable skills, from teamwork and communication to practical, job-specific tasks, all while exploring potential future careers.

We would like to extend our heartfelt thanks to the employers who generously took part in the program, providing guidance, mentorship, and real-world learning opportunities. Your support plays a critical role in helping our students make informed decisions about their future career paths.

These experiences have not only broadened our students' horizons but also inspired them to think about the many career possibilities that lie ahead. We look forward to continuing to offer similar opportunities in the future!

*Mark Chaseling—Careers Adviser*

## TOURNAMENT OF MINDS

Five NCS secondary students, Zeki, Valerie, Aerielle, India-Rose and Obelia, represented Nimbin Central at the Regional Tournament of Minds (TOM) on Sunday 8th September. Their fantastic performance showed exceptional creativity, humour, confidence and was a credit to our school.

Dax and Raph were unfortunately unable to attend but were important team members during preparation- full of creative ideas and artistic skills.

This year's Social Science Challenge asked the students to explain the reasons for, and impacts of, a hypothetical reformation of Pangaea. Which, as our NCS team reasoned, was caused by fish gnomes pushing the tectonic plates and reuniting the continents thereby forcing humans to face our problems together.

Well done team on a fantastic effort and embracing the spirit of TOM!

And a huge thank you to Bronwyn White for co-facilitating with me.

*Emily Jett*

We are excited to announce a fantastic opportunity for students aged 12-19 —a FREE workshop titled "The Youth Code." During this workshop, participants will learn to code, design, and launch their very own website!

Workshop Details:

Dates: 30th September – 4th October 2024

Time: 9:00am – 2:00pm

Location: Nimbin Community Centre

Cost: Free (Snacks and refreshments provided)

Spaces are limited, so we encourage students to register as soon as possible. This is a great chance for young people to develop valuable tech skills in a supportive and engaging environment.

For more information and to register, please visit: [The Youth Code](https://www.youthcode.com.au)

Rainbow Region Kids VACATION CLUB

Spring 2024

Terms and conditions

Our programs are based on the practices, principles and outcomes of *my time, our place*.

Spontaneous and self-initiated play is supported and encouraged throughout the day

This program is subject to change at the discretion of the daily supervisor.

Please ensure that your child:

- Brings a healthy packed lunch, snacks, a water bottle, hat and spare clothes for the day. Remember that on cooking days, children will be making

their own food to share. All our services have a no-hat-no-playing-outside policy that will be adhered to at all times.

- Is wearing covered shoes. It is a workplace health and safety requirement that children wear covered shoes at our services for safe playing.
- Does not bring any electronic devices, including smart watches, switches, tablets or mobile phones to our services under any circumstances. We provide a wide range of fun and engaging activities for all children and there is no need for your child to bring a device for their own entertainment. If you want to contact your child during the day, you are welcome

to call or SMS our service number and our staff will relay your messages.

- In the case of excursions, is at the service 30 minutes before the designated departure time. Excursions are compulsory, and our service is closed on those days.
- In the case of swimming activities, wears a rash shirt over their swimmers, or a T-shirt in the absence of a rash shirt. No shirt = no swimming.

Water play checklist!

- 1 Swimmers
- 2 Rash shirt/T-shirt
- 3 Hat
- 4 Towel
- 5 Change of clothes

## GET CONNECTED WITH THE SCHOOL STUDENT BROADBAND INITIATIVE!

The Australian Government has launched the National Referral Centre to help families access free internet. This initiative is closing the digital divide, promoting digital inclusion, and supporting children's education.

**How It Works:**

- Easy Access: Families can now self-nominate or be referred by an organisation.
- Eligibility Check: The National Referral Centre will verify eligibility and help connect families with a participating internet provider.

**Eligibility Requirements:**

- A child living at home and enrolled in an Australian school.
- No active broadband service over the NBN network.
- Access to a standard NBN service at your home.

**Contact Information:**

- Phone: 1800 954 610 (Mon-Fri, 10am-6pm AEDT)
- Website: [www.anglicarevic.org.au/student-internet](http://www.anglicarevic.org.au/student-internet)

### MESSAGE FROM THE OFFICE:

Are your contact details up to date? If you have changed residential/postal/email/address and/or changed telephone numbers recently, please contact the school office to update. To provide for the safety and well-being of your child, we need the most current information available.

NCC DANCE STUDIO

# Nimbin Preschool

Playful, collaborative, multi-layered, creative, respectful, critical and lasting.

**MONDAY TO FRIDAY**  
**8:30AM-4PM**

Run by our experienced early childhood teacher Katie Pennant, Nimbin Preschool offers a genuinely child-focused and led program.

**A variety of spaces for your child to explore, learn, play and grow.**

We have a vegetable garden and an enormous outdoor shaded play area where your child can test out their physical prowess. We have chooks, guinea pigs, bunnies and an education support dog named Gidget.

We also take walks into the wider and sometimes 'wilder' world. There is always a repertoire of activities on hand - painting, felting, reading, piano playing, mud kitchen, cooking and more...

**FIND US ON:**

The school canteen is desperately looking for volunteers. If you can spare some time to help out, it would be greatly appreciated. Even just an hour or two can make a big difference to the quality and variety of food we are able to provide to students. Call Simone on 66891355 or drop in to see her.

**MESSAGE FROM THE CANTEEN**

**Parents please do not send \$50.00 notes to the canteen for lunch orders or purchases. Change is not always available to accommodate.**

**JARJUM MIRR'S PLAYGROUP**  
NIMBIN CENTRAL SCHOOL

EVERY MONDAY TERM 3  
COMMENCING 22 JULY '24  
9.30am - 11.30am  
CAREGIVERS & CHILDREN  
(Babies to 5 years old) WELCOME

Please park in town car park & sign in @ Front Office on arrival

Why go to Playgroup?

- Brain development, young children need a stimulating environment to play and learn. Playgroups offer babies, toddlers and young children a wide variety of early learning experiences.
- A great way for your child(ren) to learn about the world, make friends and develop social skills.
- Gives mums, dads, grandparents and caregivers a chance to share ideas and experiences.
- Develops physical skills, teaches problem solving, communication and social interaction and, of course
- It's great fun!

**AFTER SCHOOL ARTS & CRAFTS GROUP**

**\$25**

Every Wednesday
