## Principals Report

Thank you to our families, for your ongoing partnership and commitment to your child's education. Your involvement, whether through attending events, volunteering, or simply encouraging your children at home, makes a significant difference. Together, we have nurtured a community that values education and the growth of our students.

To our students, I commend you for your hard work and perseverance this term. Your enthusiasm for learning and your willingness to embrace challenges have been truly inspiring. Each one of you has made strides in your academic and personal growth, and I am incredibly proud of all your achievements.

This term, we have celebrated numerous successes across various subjects, sports and activities. From academic accomplishments to artistic expressions, our students have shown resilience and creativity. Let us carry this momentum into the next term, continuing to strive for excellence and supporting one another in our learning endeavours.

As we approach the holiday season, I want to emphasise the importance of safety. The holidays are a time for celebration and relaxation, but they also require mindfulness. I encourage all families to engage in discussions about safety at home and in the community, ensuring that our students are equipped to make safe choices during their time off.

In our increasingly digital world, it is vital to prioritise cyber safety. As students spend more time online during the holidays, I urge parents to have open conversations about responsible internet use. Encourage your children to be cautious about the information they share and to recognise potential online risks. Together, we can help them navigate the digital landscape safely and confidently.

I look forward to welcoming everyone back next term, ready to embark on new learning adventures together.

Warm regards,

*Mitchell Cross*

### 3-4 NEWS

The last two weeks have been packed with hands-on learning for Stage 2! Year Three and Four students have been busy conducting science experiments, making predictions and sharing their observations in thoughtful discussions. In English, students have been reading an information text called *Deadly Science*, and learning about whether and climate in Australia. Students explored the powerful force of cyclones by creating their very own cyclone in a jar. With just water, dish soap, glitter, and a stirring implement, they watched as the glitter spun rapidly around the jar - just like the swirling winds of a cyclone! This experiment helped students visualise how fast-moving winds can create such force in nature.

In Science, year Three and Four have been investigating states of matter and conducted an experiment to determine whether custard is a liquid or solid. Students prepared their own custard and observed that it displays properties of both a liquid and a solid, depending on how it is handled. This experiment supported their understanding of how some materials can behave in different ways under varying conditions.

Year three and four were responsible for the spider stall fundraiser and demonstrated confidence and teamwork. They handled money, served customers, and prepared refreshing drinks across k-12. Well done to all of year three and four that helped set up and run the stall.

Chloe Willis  
Teacher Year 3/4

## Primary Athletics Carnival

What a fantastic day we had at our Track Events Sports Carnival! The weather was dry, spirits were high, and students gave it their all in a range of fun and challenging activities. It was heart-warming to see the incredible support from our older students, who cheered on and encouraged their younger peers with enthusiasm.

The sportsmanship on display throughout the day made us proud—whether it was lending a hand, celebrating others' efforts, or simply giving everything a go. Thank you to our wonderful P&C for running the delicious cake stand and to our local Food Co-Op who generously supplied the sacks for the sack race—such a highlight! We'd also like to thank the families who were able to attend and cheer from the sidelines.

"At the athletics carnival there were a bunch of events for us to compete in. The 100m race, 200m race, 400 m race, and 800m race. There were novelty races too: the sack race, relay race, and three-legged race. It was quite fun for all of us. At the end of the day, we did just dance in Mr Edward's classroom and board games in Miss Willis's classroom"

Josie Mynard - Fox

## Primary Athletics Carnival

We're already looking ahead to our next sporting events:

### Terania District Sports Events

Students nominated to represent our school in the Terania District Field, with all students participating in the Track Events:

- Field Events: Thursday 24th July (Week 1, Term 3) at Caniaba Public School
- Track Events: Friday 1st August (Week 2, Term 3) at Riverview Park, Lismore

These events provide a great opportunity for students to showcase their athletic skills and represent our school with pride. Further information and permission notes will be sent home soon.

## Secondary Athletics Carnival

On Wednesday, June 12, Nimbin Central School held its annual Secondary Athletics Carnival, bringing together students and staff for a vibrant day of competition, community, and school spirit. The event featured a full program of track and field events, with students giving their all in sprints, relays, long jump, high jump, shot put, and more.

Throughout the day, students displayed outstanding sportsmanship, teamwork, and fair play. Whether cheering from the sidelines or pushing their limits on the field, everyone showed pride in representing their school and supporting their peers.

It was a fantastic day for all involved — filled with energy, encouragement, and impressive athletic efforts. The carnival not only highlighted physical achievements but also strengthened school spirit and camaraderie. A big thank you goes to the staff, volunteers, and families who helped make the day such a success.

## Secondary Athletics Carnival

## Secondary Athletics Carnival

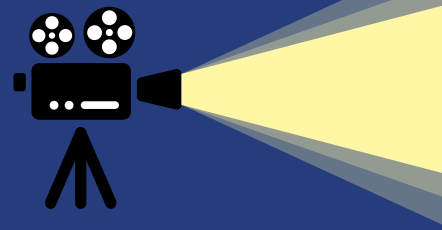

## Careers Education Update

### Exploring Futures Across Industries

This term has been packed with exciting and hands-on opportunities for students to explore a wide range of career pathways. From creative marketing to the dynamic world of film and television, and essential training for the construction industry, students have been engaged in meaningful learning experiences that support their future aspirations.

One of the highlights was a Marketing Workshop with Apex Marketing, where Year 9 and 10 students were introduced to the fundamentals of advertising and promotional campaigns. Through engaging and practical sessions, students were challenged to develop their own campaign slogans, learning how creativity, audience awareness, and strategic thinking are all essential components of successful marketing. The day was a valuable insight into the marketing world and inspired students to think outside the box.

## Careers Education Update

Another memorable experience was the excursion to Screen Futures held at Lennox Head. This event focused on careers in the film and television industry. Students participated in hands-on workshops covering areas such as cinematography, editing, and directing. It was an exciting and inspiring day, allowing students to explore the creative and technical sides of screen production. Our very own Yuta was interviewed by NBN News, which is available to view online via our Facebook page. Very well spoken and professional Yuta, a great representation of Nimbin Central School. A big thank you goes to Mr Neenan and Taya for accompanying the group on this excellent excursion.

Additionally, a group of students undertook White Card training, which is a critical requirement for anyone wishing to work on construction sites in Australia. The training focused on health and safety procedures, workplace hazards, and best practices in the construction environment. We extend our sincere thanks to Mr Witt for running this course and to Ms Webster for her assistance on the day. Their support ensured students received their White Card certification in a professional and supportive setting.

These experiences are fantastic examples of how career education at our school prepares students with practical skills and real-world industry insights.

## White Card Course

On Monday 16<sup>th</sup> June, 16 students completed their White Card at Nimbin Central School. This course was organised and facilitated by Mr Witt and Mr Chaseling, the students studied hard the whole day, learning about construction safety, risk assessments and safe work practices, completing all the required assessments.

A big thank you to Mr Mark Chaseling and Miss Mia, for assisting the students throughout the day. This was such a great opportunity for the students at Nimbin Central School, they will be using this Construction Card to look for work experience opportunities and potential employment. If any Tradies in the area needed an extra hand, we have the students just for you!!

Nimbin Central School, Mr Witt and Mr Chaseling, will be organising another day for more students to obtain their Construction White Card in the near future.

## Stage 4 Sport - Skateboarding

This Term 2, our Stage 4 students have been rolling into Wednesday afternoons with energy and enthusiasm as they head to the Skatepark for Sport! Each week, students gear up with helmets and boards to learn and develop skateboarding skills in a fun, supportive environment.

Skateboarding offers a wide range of benefits for young people. It builds physical strength, balance, and coordination while also encouraging perseverance and resilience as students challenge themselves to learn new tricks and techniques. Beyond the physical benefits, skateboarding fosters creativity, boosts confidence, and allows students to express themselves in a unique and active way.

It's been fantastic to see so many students stepping out of their comfort zones, cheering each other on, and celebrating every small victory on the board or bike. Whether they're beginners learning to push and balance, or more advanced riders mastering turns and ollies, all students are showing great progress and spirit.

We're proud of how our Stage 4 students have embraced this opportunity and encourage families to continue supporting their participation. Skating is more than just a sport—it's a great way to build community, stay active, and have fun. Keep up the great work, skaters!

## NSW Health Mobile Dental Program

Nimbin Central School was visited by the NSW Health School Mobile Dental Program, providing students with free and accessible dental care right on school grounds.

At their first appointment, each child received a comprehensive dental check-up. If required, additional treatments were provided, including:

- Dental x-rays
- Dental cleaning
- Fluoride varnish application
- Fissure sealants

Students who visited the dental bus had a wonderful time learning about the treatments they received and the importance of good oral hygiene. The friendly dental team made the experience both educational and fun, helping students feel comfortable and engaged throughout the process.

We are truly grateful for this outstanding service, which plays a vital role in supporting the health and wellbeing of our students. Thank you to NSW Health for bringing such an important initiative to our school community.

## Rous County Council Catchment Model Trailer

This week we had the lovely Alex and Emmy visit with the Rous catchment model trailer. The trailer featured a miniature display of the Rous County area and focuses on water conservation.

Students interacted with the trailer, using watering cans to simulate how water travels. This hands-on learning experience helps students understand the interconnectedness of our waterways and the impact of human activities on our environment. It was great seeing the excitement students exhibited when interacting with the model.

Students learnt how everything impacts our water supply and what we can do to keep our water safe for drinking. They also learnt the importance of water conservation, catchment management and local environmental issues like erosion and acid sulphate soils.

# LIMITED MENU

## NIMBIN CENTRAL SCHOOL COMMUNITY MARKET DAY

Due to our Community Market happening tomorrow, the Canteen will have a limited menu. Food will only be available during first break. Please ensure all orders are given to the Canteen **before 9am** to avoid missing out. Food will also be available at the Community Market.

SAUSAGE ROLLS \$4.50

SPINACH ROLLS \$3.50

HASHBROWNS \$1.50

CHICKEN BURGER \$6

PESTO PASTA \$4

BUTTER CHICKEN \$5.50

DIM SIMS \$3.50

GARLIC BREAD \$1.50

02 6689 1355 | 23A THORBURN STREET, NIMBIN

[HTTPS://NIMBIN-C.SCHOOLS.NSW.GOV.AU/](https://nimbin-c.schools.nsw.gov.au/)

## Community Call-Out: 2 hours that count!

Hungry kids don't learn. Join the Nimbin School Canteen Crew!

Like a family foyer where the kitchen and the playground meet, our canteen is at the heart of Nimbin Central School. Serving free breakfast club every morning and healthy food at two breaks during the day.

Simone is running it solo and she needs backup. Lend a morning, share a smile and keep the magic bubbling.

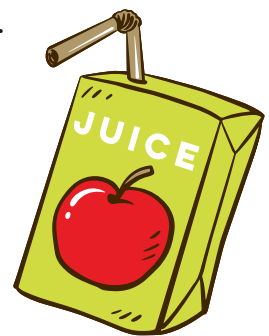

### Is this you?

- Parent, grandparent, carer.
- New in town and keen to connect.
- Retire, shift-worker, free lancer with a free morning.
- Anyone who was once cared for and wants to pay it forward.

### What it gives the kids and our community:

- Full bellies, sharp minds. Canteen doors are open, focus stays sharp.
- Support for Simone. Extra hands keep the canteen humming.
- Real Nimbin spirit. When one of us steps in, we all lift.

### What it gives you:

- Belonging. Meet families, staff and kids- feel at home fast.
- New skills. Easy kitchen know- how, teamwork, confidence.
- Flexibility. Choose 9-11am or 11-12pm. Weekly, fortnightly or monthly.
- Zero cost. Free Working With Children Check (online – 5 mins) for those who don't have a child enrolled in the school.

Email [janemaricohen@gmail.com](mailto:janemaricohen@gmail.com) with 'Canteen Crew' and your preferred time slot or any questions you may have.

If any of these ring true, pop on an apron and join the crew. Two hours, big impact. 😊

Dear parents, guardians and carers,

**Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)**

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the Disability Discrimination Act 1992 and the Disability Standards for Education 2005, in line with the NCCD guidelines (2019).

Information provided about students to the Australian Government for the NCCD includes:

- Year of schooling
- Category of disability: physical, cognitive, sensory or social/emotional
- Level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- Formally recognise the supports and adjustments provided to students with disability in schools
- Consider how they can strengthen the support of students with disability in schools
- Develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>). If you have any questions about the NCCD, please contact the school.

Kind regards

Principal

## MINOR BIRD PERFORMANCE

We warmly welcome families and friends to come and watch a performance by our Minor Birds at Nimbin Central Markets this coming Friday.

🕒 12.30pm

📅 27th June

📍 Nimbin Central School Community Markets

📞 (02) 6689 1355

PLEASE ENSURE ALL CLOTHING AND ANY BELONGINGS THAT ARE BROUGHT TO SCHOOL ARE CLEARLY LABELLED WITH YOUR NAME. THIS PREVENTS ANY CLOTHING BEING TAKEN HOME BY MISTAKE. IF YOU ARE MISSING ANY BELONGINGS, PLEASE CHECK LOST PROPERTY LOCATED IN THE OFFICE.

## Kindergarten Open Classroom

We warmly invite families considering enrolment for Kindergarten in 2026 to come and visit our wonderful classroom. This is a fantastic opportunity to meet our friendly school staff, explore the learning environment, and get a feel for the supportive and engaging atmosphere we create for our youngest learners.

Children and families are encouraged to look around the space, ask questions, and start building a sense of belonging within our school community. We can't wait to meet you and share what makes our Kindergarten program such a special place to begin your child's school journey.

An Australian Government Initiative

## School Attendance is important!

Consistent school attendance is essential for academic achievement, social development, and long-term success. When students attend school regularly, they are more likely to stay engaged, build meaningful connections with peers and educators, and develop the skills necessary for future educational and career opportunities. Chronic absences, on the other hand, can lead to learning gaps and increased challenges in keeping up with curriculum expectations. If you have concerns about your child's attendance or are facing challenges that may impact their ability to attend school consistently, we encourage you to reach out to the school. Our staff is here to support you and work together to find solutions that promote your child's success.

## Why attendance matters

When your child misses school they miss important opportunities to:

Learn

Make friends

Build skills through fun

### Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...

they miss weeks per year

and years over their school life

1 day per fortnight

W X W T F  
W T W T F

= 4 weeks

= Over 1 year missed

1 day per week

W X W T F  
W T W X F

= 8 weeks

= Over 2.5 years missed

Services  
Australia

## Australian Government mobile service centres

If you live in a rural area, you may need to travel greater distances to access government payments and services. To make it easier for you to access these services, we're bringing them to you and your community.

Mobile service centres (MSCs) travel extensively throughout rural and regional Australia to provide help and support. During natural disasters and emergencies, they can provide on-the-ground support for disaster recovery efforts.

Services Australia staff travel with the MSCs and can help you with Medicare and Centrelink payments and services. Our MSCs also have disabled access.

Our staff can also help veterans and their families connect to the Department of Veterans' Affairs phone line and online services.

Wi-Fi is available for visitors to the MSC and staff will be able to help you create a myGov account. myGov is a simple and secure way to access government services online.

Our staff provide you with friendly face-to-face service, information and support. From time to time, representatives from other government agencies also travel with the MSCs.

### More Information

To view the latest itineraries for the MSCs, go to [servicesaustralia.gov.au/mobileoffice](https://servicesaustralia.gov.au/mobileoffice)

The stopping locations are promoted in each town and on social media before each visit.

### Information and help you can access on board the MSCs

We provide information, help and support to rural and regional communities, including:

- families
- older Australians
- students
- job seekers
- people with disability
- carers
- farmers
- self-employed people.

We can assist you with:

- registering and using the agency's online services
- new claims for Centrelink payments
- updating and confirming Medicare and Centrelink information
- information on how financial matters may impact on payments
- assistance with payment and service options
- rural payment entitlements for eligible farmers
- non-cash Medicare transactions
- enrolling for and issuing new Medicare cards
- updating and re-issuing Medicare cards
- social work support and referrals.

**Services  
Australia**

## Australian Government mobile service centres

### Serving regional Australia

Visit the mobile service centre to find out about Australian Government payments and services for rural families, older Australians, students, job seekers, people with disability, carers, farmers and self-employed people.

We can also help veterans and their families connect to the Department of Veterans' Affairs phone line and online services.

Staff can provide you with information and support. They can also help you create a myGov account. myGov is a simple and secure way to access government services online.
