## Principals Report

As we move further into this term, I want to take a moment to reflect on the incredible achievements and the vibrant spirit that our school community continues to embody. It is truly inspiring to see our students engaging wholeheartedly in their learning, supporting one another, and embracing challenges with resilience and determination.

We have an exciting schedule of events underway that promises to enrich our students' experiences and foster a sense of belonging. Here are a few highlights that have occurred in the last week and upcoming:

- **APRA Song Makers Workshops:** An opportunity for students to explore their musical talents and creativity.
- **Bundjalung Language and Culture Camp:** A fantastic opportunity for the selected students to immerse themselves in cultural experiences.
- **Stage 6 Sydney Excursion:** A valuable learning experience for our senior students as they explore key sites in our vibrant capital city.
- **Surround Sound Band Day in Grafton:** An exciting event for our musicians to showcase their skills, collaborate with peers and construct digital media to support their portfolio.
- **Upper Primary Football (Soccer) Match:** Some may have thought it was a swimming carnival given the field but I was proud to watch the teamwork and sportsmanship on display.
- **Year 7 Open Night:** Great to meet prospective students and their families whilst they explored what our school has to offer.
- **One Vision- Music for Change workshop:** mentoring program is aligned to work alongside mainstream education and enhance educational outcomes.

## K/2 NEWS

The K-2 students have been busy this week, working on fractions in Maths, and making good text-to-self connections in English. These foundational skills encourage problem-solving and logical thinking.

For Art, Year 1 and 2 have been experimenting with paper mache, and the Kindies have started preparing their tin can flower pots for the upcoming class market stall.

These activities enhance creativity, imagination and encourages patience as well as focus. We can't wait to see how they all turn out!

## 3-4 NEWS

It's been another exciting and productive week in Year 3/4, with students diving into a variety of learning experiences designed to challenge their thinking and foster creativity.

In preparation for the Primary Spider Stall, year 3 and 4 have been putting their digital and design skills to the test. Using a range of digital tools, they created colourful, persuasive posters to promote the stall, which were proudly displayed around the school. This task was a fantastic opportunity for students to combine visual creativity with persuasive writing techniques. Their enthusiasm was clear as they brought bold ideas to life through eye-catching designs and convincing messages.

Students look forward to buddy reading each Tuesday. Students across K–6 come together to read stories and support each other's development. It's a wonderful way for students to build confidence, strengthen relationships across year levels, and enjoy reading in a meaningful and social setting.

Taking advantage of the beautiful weather, students recently ventured outside for a nature-based art activity. Equipped with clipboards and pencils, they sat near our beautiful fig tree to complete scientific sketches. The class was buzzing with meaningful discussions about what they could see and hear.

This outdoor learning session provided a calming yet stimulating setting for students to connect with nature and apply their observational skills in a hands-on, engaging way. It's been a week filled with exploration, collaboration, and creativity—and we're so proud of the effort and enthusiasm our Year 3/4 learners continue to bring to the classroom each day.

## 5-6 NEWS

Exciting news—our 2025 Year 6 shirts have been ordered! The design features artwork by Uncle Gilbert, making them extra special and meaningful for our students.

Last week, we were lucky to be visited by Charlie Cohen from the RFS. Charlie was the incident controller during the 2019/2020 bushfires in the Nimbin area. His firsthand knowledge and experience gave students a valuable insight into bushfire management and the local impact of those events.

A big thank you to everyone who supported our spider fundraiser last Wednesday during third break. We had loads of fun and raised an impressive \$232 towards our end-of-year camp at Lake Ainsworth! Next Wednesday is our last Spider Day, so bring some money to contribute to our fundraiser!

## Soccer Match Nimbin vs Coorabell PS

Last Monday, students from Years 3–6 formed a team to play against Coorabell Public School in a friendly soccer match. We proudly hosted the game at the Nimbin Headers soccer field. Despite the rain and plenty of mud, it was a fantastic day filled with fun and team spirit. Our team showed great determination and teamwork against a more experienced and well-drilled Coorabell side, who played exceptionally well.

While the final score was 15–0, our students gave it their all, supported each other beautifully, demonstrated outstanding sportsmanship, and had a great time on the field. They looked especially sharp in the new Nimbin Central School sports uniforms!

A big thank you to Emmett for stepping in as coach, and a huge shout-out to our high school boys Felix, Livio and Mereki who refereed the match with professionalism and confidence. We were proud to host the game with such capable referees leading the way.

## CAPA Sydney Excursion

Last week, students from Ceramic, Visual Art, Music and Extension English classes travelled to Sydney to visit a variety of galleries, experience a live performance and during the evening explore Vivid where students could interact with immersive artworks.

Students travelled by train to Sydney and stayed at the Central YHA for the duration of the stay. This was a fantastic cultural trip where students witnessed of curation, performance and public interactions with art and culture.

A trip to Sydney is a vibrant and enriching learning experience for students, offering unforgettable encounters with art, history, and creativity. Students visited Sydney Theatre Company, the Museum of Contemporary Art, The Art Gallery of NSW, the Australian Museum as well as The Lyric Theatre where students watched the Michael Jackson Musical. Visits to major galleries and museums allow students to explore diverse cultural perspectives, historical narratives, and cutting-edge artistic expression.

Adding to the excitement, Vivid Sydney 2025—running from May 23 to June 14—transforms the city with breathtaking light installations, live music, and inspiring talks. This immersive festival encourages students to think creatively, engage with big ideas, and see the city in a whole new way.

From gallery halls to glowing streets, Sydney offered our students an unforgettable journey of discovery, learning, and inspiration.
