

Stage 5 Art

Using the Elements of design create an artist elements book.

1. Open the Elements Power point for ideas and information
2. Refresh your mind by researching; the elements of Art
3. Explore your world; room, house, yard. With a series of drawings, words, sculptures.
4. Research an artist whose work you love; find out as much as you can about them and their motivations and what other people say about them and their art.
