

Homework Instructions for Year 7 Science

Classification Topic

Hi Year 7 Science,

Here are some instructions for completing your science homework for the remainder of this term. We have set up a Google Classroom for Year 7 science that you can access through your Department of Education Student Portal. If you do not have Internet access at home, you can get a printed copy of this homework from the Nimbin Central School office.

How to access the Google Classroom

- 1) Access your Department of Education Student Portal through the Internet.
- 2) Find and Click the link to Google GSuite (expand the sections on the right hand side of the page to find it).
- 3) Go to the Year 7 Science Google Classroom.
- 4) Click the "Classwork" tab at the top of the page.
- 5) You will find a copy of Chapter 2 of the Year 7 Science Textbook
 - Click on that to open the textbook.
 - If it doesn't open, click the three dots (right hand side of page), and then click "Open in new window".
 - Then click "Download" (top right of page).
 - You should now have your textbook chapter (Classification).
- 6) Start reading!
- 7) Click on "Worksheet Number 1"
 - Print it out if you can - and answer all the questions (using your textbook to find the answers).
 - If you can't print it out, use an exercise book, and write out the questions and answers.
 - Keep going with Worksheet 2 and 3 and 4 and...
- 8) I will post answers to the worksheets as we go along.
- 9) I will also expand the classroom with on-line quizzes, and add links to Youtube videos to watch.
- 10) Please post any questions on the classroom, and check in often to see the updates.

Take care,

Mr Gray and Mr Buckley.
