PRINCIPAL'S REPORT

As the end of Term 1 approaches, we see the completion of the Year 11 subjects morph into Year 12 for our Stage 6 student's learning as they transition into their HSC pattern of study. This transition highlights the importance of continuing to maintain our culture of high expectations whilst fostering a safe and supportive environment for all.

Nimbin Central School is committed to student safety and well-being, looking towards the implementation of new directions with student wellbeing at the centre. These include the update of our mobile phone procedures using Yondr (more information will come from this space shortly), closing the bathrooms during class times (trial proposed by P&C), revisiting and reminding all of our students of the dress code (information in today's newsletter) and re-structuring the administration space including relocation of our student medical centre. These changes aim to increase student learning and positive wellbeing support.

Our communication pathways are continuing to evolve to meet the needs of our Parents and Community. In Secondary we have a Year Adviser allocated to each year group to assist in supporting students and parents navigate school procedures. Parents are encouraged to use the following email nimbin-c.school@det.nsw.edu.au or call the office (02) 6689 1355 to book a meeting with our Year Advisers when support is needed. **Please note that the Canteen is closed for Break 3 till further notice for repairs..**

- **Year 7:** Rob Dawson
- **Year 8:** Corey Wheeler
- **Year 9:** Tiff Wiblen
- **Year 10:** Brett Osterhage
- **Year 11:** Anthony Neenan
- **Year 12:** Dan Buckley
- **Primary:** Val Scarrabelotti
-

Mitchell Cross | Principal (Rel)

KEY DATES

- School Photo Day..... 4th April
- Catch up Photo Day..... 8th April
- Primary School Mobile Dental Program19th May - 5th June
- Easter School Holidays..... - Last day of school is Friday the 11th of April, students are to return on Wednesday the 30th of April, 2025.

Nimbin Central's Student Dress Code

Although we do not enforce a strict uniform policy here at Nimbin Central School, we do have a Dress Code in the school that students are expected to abide by.

Our "new" Nimbin Central School shirt was released in 2023. The design was created by Uncle Gilbert Laurie. Built upon a "Nimbin blue" background, our beautiful and unique shirt incorporates the three valleys of Nimbin, Tuntable, Crofton and Sam's Gully, features a rainbow to celebrate the diversity of our "Rainbow Region" and shows Nimbin Rocks, which is such a unique feature of our school's landscape.

There is one shirt design for all students, from Kindergarten to Year 12. Please also note that, due to the recent change, students may wear any of the former Nimbin School shirt designs.

The following are some of the uniform guidelines that we expect our students to follow:

- We encourage students to wear the school shirt each day, however this is a mandatory requirement when travelling on school excursions or when representing the school.
- Clothing should be clean, safe, modest and in reasonable condition.
- Covered footwear must be worn at all times and be appropriate for practical subjects.
- No inappropriate clothing should be worn. This includes clothing displaying unacceptable messages or images, "strappy" singlets, tank tops (bare midriffs), "short" shorts and other clothing considered immodest or inappropriate for the learning environment.
- As a Sun Smart school, we also encourage students to also wear a hat when outdoors and apply sunscreen as needed throughout the day. Primary school enforces a "no hat, no play" policy.

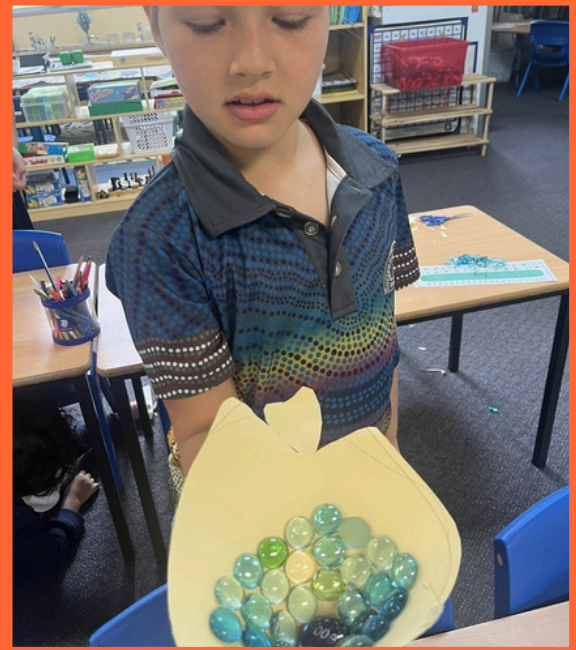

We are proud of our school, and we'd love to see all students wearing our school uniform.

K/2 News

We're thrilled to have our class back together after the recent weather event. Harmony Day was a fantastic experience that brought our buddy reading groups together for a series of engaging activities. Students rotated through three stations: a fun sports game, a collaborative group poster project, and a creative "Belonging Hands" activity. Throughout the day, our mixed peer groups supported one another, sharing stories, laughter, and teamwork. It was wonderful to see students connecting and celebrating the spirit of inclusiveness and belonging.

Our current focus in Maths is exploring measurement through volume and capacity. Recently, our Year 1 and 2 students took on an exciting challenge: designing vessels they estimated would hold exactly 30 crystals. The results were wonderfully creative, with students constructing a variety of shapes, including rectangles and cones. This hands-on activity encouraged students to apply their measurement skills while sparking curiosity and creativity. They also explored representing numbers in various shapes. The number 77 was demonstrated as a house and differing shapes.

K/2 CONT.

K-2 Class information:

Library day: Tuesday

Sport: Thursday

No canteen available in break 3 for the rest of the term.

School photos: 4th April 2025.

Mon – Friday: phonics / Literacy: 9.10 am – 10.20am please be on time for our literacy learning.

If there is anything our school can do to support your child's attendance, please contact me through the front office to make an appointment to discuss further.

Thank you

Heather Jessup | Teacher

Tina | SLSO

SCHOOL PHOTOS NEW DATES

School Photos have been rescheduled to Friday 4th of April, 2025.

Catch up photos are Tuesday 8th of April, 2025.

Lawn Bowl Trials

Nimbin Central School students were provided with the opportunity to attend the North Coast Lawn Bowls trials held at Evans Head Bowling Club.

Fourteen keen Lawn Bowlers all took part in the trials, they played well in teams of four, competing with and against a number of students from all over the North Coast Zone.

Unfortunately, no students from Nimbin were selected in the North Coast team. All students behaved in a wonderful manner, enjoyed the day and showed some skill in their bowling.

Hopefully this trip has encouraged a few students to become members of the Nimbin Bowling Club and start practicing for 2026!

Mr Harry Witt | Year K-12 Sports Coordinator

Zen Ti Lee displays his painting that he did at school while the Secondary Swimming Carnival was on. We think he's done a great job!

University of Sydney Visit

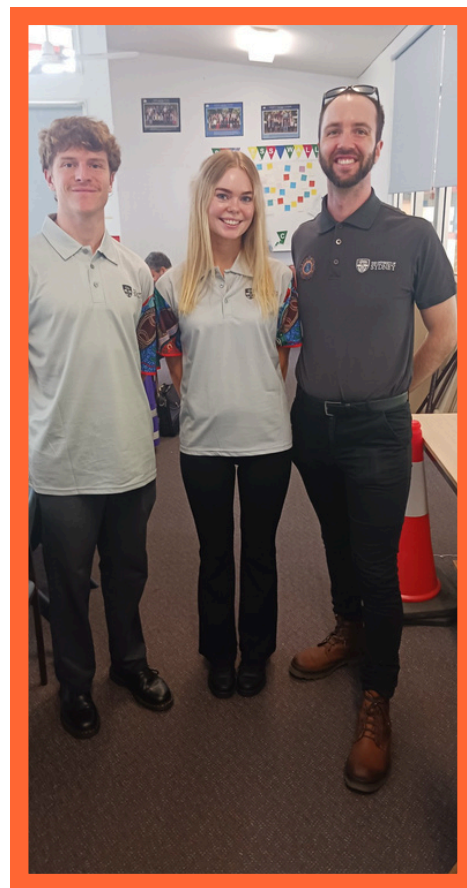

On Monday of Week 9, The University of Sydney Outreach Team visited Nimbin Central School. The visitors consisted of Tyrone the Marketing Manager, and students Ava and Sam. The team initially spoke to a group of Year 9 and 10. Topics of discussion included courses available at the University, student interests and on campus accommodation. Students were enthusiastic in participating throughout the whole period.

During lunch time, students from Years 11 and 12 received a presentation from the group. The students had the chance to ask individual questions of the presenters and discussions focused on topics such as how to apply for university courses, opportunities at Sydney University and workshops and open days.

During this presentation Ava Robinson was presented with an award for Academic Excellence from the University of Sydney. Congratulations Ava! Overall, the event was a great success with students participating with enthusiasm throughout.

Regards

Mark Chaseling | Careers Advisor

Primary Easter Hat Parade

Families are invited to the Nimbin
Central School Primary Easter Hat
Parade!

Where: Play area outside of the K-2
classroom. Hats will have already
been made at school.

When: 10th of April 2.30 pm.

STEM LEARNING

We are embarking on an exciting hands-on STEM (Science, Technology, Engineering, Math) project at Nimbin Central School, constructing a 6-meter geodesic dome! This innovative structure allows students to explore engineering, mathematics, and sustainability in action. Designed as both a collaborative learning experience and a functional addition to our school, the dome will initially be used as a greenhouse.

The project's first stage kicked off with enthusiastic Year 5 and 6 students getting their hands dirty as they helped prepare the site. Working together with the help of some older students, they dug drainage trenches, laid pipes, and filled them with gravel to ensure the dome's foundation remains dry and stable. This initial groundwork not only introduced students to basic civil engineering concepts but also highlighted teamwork and problem-solving skills in a practical setting. Stay tuned as we continue building this incredible structure!

Bronwyn White | STEM Teacher

Northern Rivers Conservatorium

Northern Rivers Conservatorium, in partnership with Nimbin Central, is delighted to be engaging youth in our Music in Schools program 2025. The Music in schools program is one on one lessons with a professional music tutor, who is NRC staff. Individual lessons are the most effective for learning an instrument, however we offer shared lessons as a lower cost option.

Currently we are offering lessons at Nimbin Central in Drums, Guitar, Bass and Beginner Vocals. This is for all students from Kindy all the way through to Yr 12.

Little do I need to say that music is a wonderful thing. Being involved with music education is great for development of fine motor skills, the brain, skills in communication and collaboration and so much more...

If you would like your young music prodigy to engage in music lessons, you absolutely need to enrol your child/children. We can only offer a limited number of spaces, so please enrol as soon as possible.

Please visit: <https://www.surveymonkey.com/r/MQMSBVV> to enrol your child.

Compass Music Festival North Coast

Seeking talented local public school students to perform as a featured item in the upcoming Compass Music Festival!

Compass is an instrumental and vocal festival that provides high-quality opportunities in the performing arts for students and teachers in regional and rural areas. Compass North Coast will be held at Wiigulga Sports Complex on Monday 2 and Tuesday 3 June 2025.

We invite interested schools to audition a solo, duo or trio ensemble to perform a featured item within the program.

Nimbin Preschool

Playful, collaborative, multi-layered, creative, respectful, critical and lasting.

MONDAY TO FRIDAY
8:30AM-4PM

Run by our experienced early childhood teacher Katie Pennant, Nimbin Preschool offers a genuinely child-focused and led program.

A variety of spaces for your child to explore, learn, play and grow.

We have a vegetable garden and an enormous outdoor shaded play area where your child can test out their physical prowess. We have chooks, guinea pigs, bunnies and an education support dog named Gidget.

We also take walks into the wider and sometimes 'wilder' world. There is always a repertoire of activities on hand - painting, felting, reading, piano playing, mud kitchen, cooking and more...

Have you changed address or phone number since enrolling your child?

Please advise the office of any changes so we can update your records and keep you in the loop of all updates.

Early Childhood Early Intervention Playgroup

Free for all families
Morning tea provided

Outdoor play area

Early Childhood Early Intervention Playgroup

An inclusive playgroup supporting early childhood development for children aged 0-5 years.

- Are you concerned about your child's development?
- Would you like advice from an experienced early childhood intervention specialist?
- Would you like to connect with other families?

Learn:

- how children develop and what to expect at different stages
- how to encourage speech and language development
- how to support positive behaviour
- where to get additional help if needed
